

GREEN FARMSTEAD PARTNER PROGRAM IOWA SELECT FARMS

Tree Counter

AS OF NOVEMBER 2018

On May 24, 2018, Iowa Select Farms announced a partnership with the Coalition to Support Iowa's Farmers' Green Farmstead Partner program. As a Green Farmstead Partner, all new company-owned finishing farms will feature trees on three sides of the farm shrubs on one side.

Selected for their quality, hardiness, growth traits and ability to serve as an effective windbreak, the trees and shrubs will help reduce livestock odors coming out of the barns.

WELCOME!

2018 Coalition to Support Iowa's Farmers Green Farmstead Program Partners

Bay Farm, Humboldt County
Charter Oaks Farm, Crawford
Dexter Farm, Greene County
Dove Farm, Audubon County
Durant Farm, Calhoun County
Eldridge Farms, Hardin County
